

Northern Music Booster Membership

While the music programs offered in our school district enjoy having the emotional and financial support of the school board members and school administrators, many of the programs could not succeed without the financial and physical help of parents, grandparents, friends and other relatives. With this community effort, teachers who have developed creative programs to inspire and educate our children can realize their goals.

The Northern Music Boosters, Inc. is a 501(c)3 non-profit organization whose purposes are to raise funds to support and advance the academic and educational interests of the Music Program at Northern York County School District; to cooperate with and assist the Board of Directors of the Northern York County School District and those in charge of the Music Department to maintain high standards of integrity, academic excellence and musical achievement; and to build and maintain an organization of parents which will help promote interest in the general activities of the Music Department at Northern York County School District.

Anyone can be a **BOOSTER!** For a small donation of **\$1.00 per person** each school year any parent, grandparent, guardian, relative, or friend of Northern music can help support these worthwhile music programs. Booster membership will entitle you to receive a copy of the minutes of the General Membership Music Booster meetings as well as give you a voice in the decisions being made by the Music Boosters.

*We encourage your participation at our monthly Booster meetings on the fourth Monday of the month during the school year. **NEW IDEAS** will help us to achieve the goal to provide the **BEST** for our kids! **"Many hands make light work!"** –but that can only happen if YOU help by actively participating.*
