

Dear _____,

As you may know, I have joined the Northern High School Marching Band for the 2013 fall season. We are a competitive marching band program, placing second in the state last year! This year we are striving to push ourselves to even higher levels of performance.

In order to do that, I will be spending many, many hours practicing every month from July until November. During July and August I will be attending several weeks of band camp for intensive training. At the end of these weeks, we will perform what we have learned for our friends and family.

The members of the 2013 Northern High School Marching Band are conducting a pledge drive in preparation for the competitive season. I am asking you to sponsor me for part or all of the time I spend training in band camp. Sponsor levels are flexible at just \$.25, \$.50, or \$1.00 per hour, or you can choose to make a flat donation. Your help and support in my journey is much appreciated. Last year's marching band cost was almost ***\$600 per student***. Our Booster program, and most importantly the students, would greatly benefit from any donation you may be able to give. If you are able to help in any way, please complete the attached pledge form.

At the end of these weeks of intensive training we will hold a performance for our family and friends at the high school on Friday, August at 16th 7:00 pm. I would really like you to attend! Thank you so much for your consideration.

Musically,
